

Associate of Arts

Associate of Arts Degree

Earn a liberal arts degree respected by business and industry. Classes are available day or evening, full-time or part-time. It's an ideal way to explore your interests, plus achieve valuable recognition for two years of college study. Credits earned apply to an OSU bachelor's degree.

Have you...

Decided to begin or continue a college program but are not sure about committing yourself to a bachelor's degree? Decided to begin college but presently lack final academic goals and career objectives? Started a college program but would like to receive formal recognition for completing 90 quarter hours of college-level credit?

Then consider this opportunity...

The Ohio State University Newark offers the Associate of Arts Degree, which is a flexible blend of courses designed to fit a broad range of interests and goals. These courses typically comprise the freshman and sophomore years of many baccalaureate programs.

The Ohio State University Newark offers courses in the following disciplines which may be used in fulfilling core course requirements:

Humanities
