Total Credits 12

MA FOCUS OF STUDY _____ (33 – 38 credits)

Indicate how you have addressed the following four areas with either courses or experiences. It is not necessary to have equal distribution across the four areas. Each area must be supported by one or more course or experience. Courses may overlap among areas and core courses may be used. List all courses by quarter taken, number, title and credit hours. Experiences, while they may be used to support different areas, are not credit bearing.

1. *The nature of learners and learning*
