What is the purpose of the Student Employment program?
The Student Employment program is to assist in meeting the needs of the University, provide University students with financial support in pursuit of their academic goals and provide opportunities for academic or administrative job experience.

Why would I want to participate in the Student Employment program?
These work experiences will help prepare you for future career opportunities. You will learn time management skills, employee responsibility, and in some cases gain leadership experience, while earning a paycheck. Along with strong work habits and job skills, you will also develop an excellent source for future job references to enhance your resume. Having acquired these skills and taking on increasingly greater work responsibilities will be an advantage to you as you enter the job market. In addition, the convenience of working on campus will help you develop ties to the campus community through new friendships and experiences.

What is the difference between Federal Work Study (FWS) and Student Wages?
*Federal Work Study (FWS)* is awarded to students based on financial need and the availability of funds. Students will be notified of their FWS eligibility in the Financial Aid Award Letter. Students must adhere to the Financial Aid Standards of Academic Progress Policy, must be enrolled at least six credit hours, and may not earn more than their annual FWS award.

*Student Wages* are available to students who do not meet FWS eligibility requirements.
