The Ohio State University determines a student’s financial need based on the Free Application for Federal Student Aid (FAFSA).

1. Students and parents should begin the financial aid application process by each obtaining a Federal Student Aid ID (FSA ID) from the U.S. Department of Education. An FSA ID allows students and parents to sign the FAFSA electronically. To obtain a FSA ID, visit fsaid.ed.gov.

2. File the FAFSA online at fafsa.gov. Include The Ohio State University code 003090 in the school section on the application.

3. Complete and submit Ohio State Newark special-eligibility scholarship applications to the Office of Financial Aid by March 15. You must have applied and have been admitted in order to be eligible for scholarship consideration.

AFFORDABILITY INITIATIVES

We Make College Affordable!
AFFORDABILITY INITIATIVES

Unique programs at The Ohio State University at Newark.

Buckeye Opportunity Program supports Ohio students who qualify for a federal Pell Grant. Each recipient will receive enough student financial aid to cover the full cost of undergraduate tuition and mandatory fees.

President’s Affordability Grants of $1,250/year are available for regional campus students with financial need and good academic standing.

The Ohio State Tuition Guarantee provides certainty for incoming Ohio resident students and their families by keeping the cost of in-state tuition, general fees, housing and dining flat for four years.

Scholarships do not need to be repaid and come in two forms: merit-based scholarships and special-eligibility scholarships. Incoming freshmen are automatically considered for merit-based scholarships based on their high school transcript, curriculum and standardized test scores submitted with the admission application.

Special-eligibility scholarships require students to meet certain requirements and complete a separate application.

Grants are awarded through federal, state or university funds to students with demonstrated financial need and do not need to be repaid. Students must complete the FAFSA.

Loans are borrowed funds that must be repaid. Loans are available for both students and parents. Students must complete the FAFSA.

Student Employment is available throughout campus in offices such as admissions, the bookstore, dining services and facilities.
