Dear Future Buckeye,

The Countdown to Convocation continues! In less than 25 days you will be joining us for your first day of classes! You will be on your way to receiving your degree from The Ohio State University! In this edition of the “Buckeye Bulletin”, we will remind you about a few opportunities you, or your parents, have for engaging with our students and greater community.

**August 12: Parent, Family & Support Person Session** Join Ohio State Newark Staff as we answer questions and offer advice on supporting your student and their success during their first year at The Ohio State University. To keep our communities safe, our office has cancelled all in-person visits and events due to the COVID-19 pandemic. In the meantime, we will be hosting these sessions online utilizing Zoom*.

**August 12: “How to Night”** Join our community via Zoom (www.zoom.us) to learn how to make your own cloth face mask, perform yoga or paint like a professional! Check your BuckeyeMail for registration information.

- 6:00pm-6:30pm- How to make a Mask tutorial
- 6:30pm-7:00pm- SAFE Yoga for Beginners
- 7:00pm-7:30pm- Paint like Bob Ross

**August 24: Convocation** Our community officially welcomes new students during this formal event each year. This year’s event will be held via Zoom. Students will hear from the campus dean/director, Dr. William L. MacDonald, as well as Dr. Mitchell Lerner, a member of the faculty. Check your BuckeyeMail for registration information.

You should have also received communication in your BuckeyeMail around July 22 with more information regarding the shipping of your iPad. Students must confirm their mailing address and complete the Digital Flagship Tech Agreement before their device will be shipped.

As always, if you have questions, please call our Admissions Office at 740.366.9333. We are here to help! Welcome to Buckeye Nation! See you soon!

Sincerely,

Diane Kanney
Director of Enrollment
