Dear Future Buckeye,

There is always something to do on our campus! Ohio State Newark has a robust intramural sports program, weekly activities such as trivia night or bingo, and events hosted by student clubs or organizations. With 30 or more organizations for students to join, you will find something to be a part of and will make new friends along the way!

1. Did you know you can be a part of The Best Damn Band in the Land while you are enrolled at Ohio State Newark? Many of our students have done just that, including the current drum major, Konner Barr. (pictured below). Check out this video the band put together recently while practicing physical distancing.

2. Students can also rush a fraternity or sorority on the Columbus campus while they are enrolled on our campus. This is a great way to make friends on the Columbus campus that will help you transition once you complete the required 30 credit hours on the Newark campus.

3. Ohio State Newark students carry the same Buck ID as any other Ohio State student. You can use it to dine on the Columbus campus, attend student events, and check out books at the Thompson Library. You will be a Buckeye from Day 1 on our campus!

Remember to check out the admitted student web page where you will find other helpful resources including a special message from our admissions team. Please contact our Admissions Office at any time (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you have specific questions or needs.

Sincerely,

Diane Kanney
Director of Enrollment
