Dear Future Buckeye,

As you wrap up your senior year of high school or college commitments, we turn our attention to orientation sessions. Orientation at Ohio State Newark will be virtual this summer and it is important that you complete the Carmen course associated with orientation and schedule a date to complete your course selection process for autumn semester. I want to remind you to register for the earliest orientation session available for best course availability. How do you register? You should have received an e-mail in your BuckeyeMail with instructions. If you did not receive this e-mail, please contact our Admissions Office for assistance.

We will be hosting several virtual opportunities for you to learn more about Ohio State Newark and the next steps in our enrollment process. We encourage you to join us for one of the following events:

- **Virtual Buckeye Visit Day: Thursday, May 28 from 6:30-7:45 p.m.** Join us for a brief admissions presentation highlighting the next steps in our enrollment process, a faculty panel providing a glimpse at classroom expectations, followed by time to speak with your admissions counselor. This will be time well-spent with us! Register at scarletandgray.osu.edu using access code NWKZOOMBVD20.

- **Virtual Information Sessions: Select Dates This Summer.** Join us for a 30-minute admissions overview of the application and enrollment processes. These sessions will provide a more in-depth look at Ohio State Newark. Register at scarletandgray.osu.edu using access code NWKZOOMIS20.

Remember to check out the [admitted student web page](#) where you will find other helpful resources. Please contact our Admissions Office at any time (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you have specific questions or needs. Also, our admissions team will be hosting [Zoom office hours](#) on Thursdays each week through May 21. Students are asked to register at scarletandgray.osu.edu by using the access code NWKZOOM20.

Sincerely,

Diane Kanney
