Dear Future Buckeye,

This is the first week of orientation sessions! This is an exciting time for all of us as we turn our attention to welcoming you for autumn semester! Now, on to this week’s important items:

• **Orientation:** If you have paid your acceptance fee, then you have received an invitation to schedule an orientation session, which was sent to your BuckeyeMail. If you did not receive the invitation to register for orientation, please contact our Admissions Office (740.366.9333) for assistance. Before attending an orientation session, students must:
  o Sign the Financial Responsibility Statement which can be found on your “To Do List” on BuckeyeLink. Students will not be able to schedule courses if this is not signed. Need help? See the “Complete the Financial Responsibility Statement” document on the admitted student web page.
  o Complete the Carmen course which is available 7-10 days prior to your scheduled orientation date.
  o Complete placement testing if required (students are emailed test information).

• **Virtually Visit Campus this Summer.** There are several ways for students to visit Ohio State Newark to learn more about our campus. Buckeye Visit Days remain the best way to get to know us, but if you cannot join us for one of those, then you do have other options. Visit go.osu.edu/visitNewark to review all dates. If online registration is closed, please call our office to register and receive the Zoom meeting details.

• **Follow us on social media!** We update our team’s Instagram page Ohiostatenewarkbuckeyes daily and hope you will follow us to remain updated.

• **Check your BuckeyeMail daily!** Once you have been admitted, the university sends all official business emails to this account. We encourage you not to forward mail from this account to another as it is often caught in spam.

Check out the admitted student web page this summer as we are often adding new resources and videos. Please contact our Admissions Office at any time (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you have specific questions or needs.

Sincerely,

Diane Kanney
Director of Enrollment
