Dear Future Buckeye,

The summer is in full swing as students begin orientation sessions and our attention turns to welcoming you to campus in August. Classes begin August 25 so the countdown to Convocation, your official welcome to campus, has begun. More details regarding Convocation will be forthcoming. Now, on to this week’s important items:

- **Parent/Support Person Sessions:** Our Office of Student Life is holding sessions for parents/support persons on topics ranging from supporting students in their first year at Ohio State, FERPA and tips for having conversations with students about money and decision-making. We will also be sharing important dates and deadlines, and frequently asked questions that family members have brought forward in the past. The session will end with ample time for Q&A with representatives from Academic Advising, Student Life and Financial Aid.

- **Virtually Visit Campus this Summer.** There are several ways for students to visit Ohio State Newark to learn more about our campus. Buckeye Visit Days remain the best way to get to know us, but if you cannot join us for one of those, then you do have other options. Visit [go.osu.edu/visitNewark](http://go.osu.edu/visitNewark) to review all dates. If online registration is closed, please call our office to register and receive the Zoom meeting details.

- **Follow us on social media!** We update our team’s Instagram page Ohiostatenewarkbuckeyes daily and hope you will follow us to remain updated.

- **Check your BuckeyeMail daily!** Once you have been admitted, the university sends all official business emails to this account. Check your email by visiting this link with your full email address (lastname.#@buckeyemail.osu.edu) and self-created password.

Check out the [admitted student](http://www.osu.edu/admitted) web page this summer as we are often adding new resources and videos. Please contact our Admissions Office at any time (740.366.9333) or [Newark-askabuckeye@osu.edu](mailto:Newark-askabuckeye@osu.edu) to speak to your admissions counselor when you have specific questions or needs.

Sincerely,

Diane Kanney
Director of Enrollment
