Dear First,

It’s difficult to believe that April is nearly upon us, but it is and so is the April 1 deadline to apply for one of our five learning communities. We will highlight each of the learning communities below, but to learn more and to apply, please visit Go.osu.edu/newarkLC. Please contact our Admissions Office at any time (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you have specific questions or needs. We are ready to help you!

Ohio State Newark Learning Communities

- **Buckeye Generation** prepares first-generation college students for college. Students take common classes, attend weekly labs and social and cultural events. Students will also receive $600 academic support funding, priority consideration for on-campus housing & access to peer and academic coaches.

- **Education Teaching & Learning** engages students in career-focused experiential learning activities while building relationships with educational professionals and education faculty mentors. $200 academic support funding.

- **Engineering** involves students in career-focused experiential learning while developing connections with engineering professionals currently working in the field.

- **Global Citizens** encourages students to actively engage with the world community while recognizing global interconnectedness. $500 funding available for service-learning experience, education abroad trip, professional development or research project; and priority consideration for education abroad.

- **Scarlet & Gray Excellence** immerses students in a curriculum reflective of their culture and reality and equips them with the knowledge to bring about change for a just society. Students will also receive $600 academic support funding, priority consideration for on-campus housing & access to peer and academic coaches.

Please check out the admitted student web page where you will find a short video highlighting each of our learning communities. Again, you must apply by April 1 at go.osu.edu/newarkLC.

Please be well and take care of yourself!

Sincerely,

Diane Kanney
Director of Enrollment
