Dear Future Buckeye,

In today’s Buckeye Bulletin we will highlight Ohio State Newark’s affordability initiatives. We are proud to have programs in place to assist students in realizing a college education. Not only do we offer scholarships for which students may apply for, but we also have several other programs in place to help keep the cost of college affordable. As always, please contact our Admissions Office at any time (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you have specific questions or needs. We are ready to help you!

**Did You Know?**

- **Ohio State Newark’s Tuition** for the current 2019-20 school year is $7,912, among the cheapest in the state of Ohio and approximately 1/3 less than the cost of the Columbus campus.
- **The Ohio State Tuition Guarantee** keeps the cost of in-state tuition, general fees, housing & dining flat for four years.
- **Buckeye Opportunity Program** supports Ohio students who qualify for a federal Pell Grant. Each recipient will receive enough student financial aid to cover the full cost of undergraduate tuition and mandatory fees. This program requires the student to submit the Free Application for Federal Student Aid (FAFSA) each year by February 1, be enrolled full-time, successfully complete 12 or more credit hours and pass the University Survey course.
- **President’s Affordability Grants** of $1,250/year are available for regional campus students with financial need and good academic standing.
- **Scholarships** do not need to be repaid and come in two forms: merit-based scholarships which require no additional application and special-eligibility scholarships. Some of the special scholarships do require a separate application. View all opportunities [here](#) and apply by April 15!

Please check out the [admitted student web page](#) where you will find other helpful resources.

Please be well and take care of yourself!

Sincerely,

Diane Kanney
