Dear Counselors & I Know I Can Advisors,

The summer is in full swing! Thanks to those of you who have sent your enrolling students’ final transcripts to us. As a reminder, the most efficient way to get those to us is by electronic submission either via Naviance or by emailing the transcript to esue-studugt@osu.edu. Please note: All transcripts are processed by the Columbus campus so mailing them to our campus will cause substantial delays.

As many of you begin to work with rising seniors, please know that we will have virtual Buckeye Visit Days and Information Sessions through the month of December. We are also busy putting together virtual group visit packages for schools who have interest in joining us this fall. As you may already know, most of these visits also include our co-located partner, Central Ohio Technical College.

**Resources for You & Your Students**

- **Application**: Ohio State Newark is an open access institution. We have always accepted students throughout the summer and after the May 1 deadline, and this year is no different. Autumn semester begins August 25, so please encourage your students to keep this in mind when applying. The application can be found at [apply.osu.edu](http://apply.osu.edu).
- **Virtual Buckeye Visit Days & Information Sessions**: Our next virtual Buckeye Visit Day will be held July 23. We will announce our fall virtual event schedule soon at [go.osu.edu/visitNewark](http://go.osu.edu/visitNewark).
- **BuckeyeMail**: Students must activate their Ohio State e-mail account immediately after admission as this is the way all official university business is conducted. Students should visit [my.osu.edu](http://my.osu.edu) to activate their BuckeyeMail.
- **Orientation Questions**: Some students are finding it challenging to register for an orientation session and complete all necessary steps in order to be prepared for their one-on-one appointment with their academic advisor. When in doubt, have your students call our office to double-check their readiness! This will ensure that their course registration process is smooth.
- **Admitted Student Web Page**: This is a one stop shop for you and your enrolling students!

Please contact our Admissions Office any time at (740.366.9333) or Newark-askabuckeye@osu.edu to speak to your admissions counselor when you, or your students, have specific questions or needs.

Sincerely,

Diane Kanney
Director of Enrollment
