WHO DOES THIS APPLY TO? Male students living in the United States who are between the ages of 18 and 26 are required to register through the Selective Service and must provide their Selective Service registration number to The Ohio State University. Ohio State Academy (College Credit Plus) students are required to provide their Selective Service number upon turning 18 years of age.

WHY IS THIS IMPORTANT? Failure to provide your Select Service registration number will result in the assessment of non-resident fees, i.e., you will be expected to pay out-of-state tuition. Students are expected to make full payment (including non-resident fees) by their appropriate payment due date. Payment deadlines may not be waived or extended if a student is waiting to receive their Selective Service registration number, so be sure to register in a timely manner.

OHIO RESIDENCY If you are not an Ohio resident and want to receive the state of Ohio subsidy for tuition purposes (that is, pay in-state tuition), you must show that you meet the qualifications set by the Ohio Department of Higher Education. Visit the University Registrar’s website for information about establishing Ohio residency.

WHAT DO I DO NEXT? To register or lookup a Selective Service number, please visit the Selective Service website at sss.gov.
