THE OHIO STATE
UNIVERSITY

NEWARK

Interested in earning an *Associate of Arts degree*?

An Associate of Arts (AA) degree can be completed with two years of full-time coursework.

Students of any major can earn the AA degree as a stepping stone toward a bachelor's degree or as valuable recognition of two years of undergraduate study. The AA degree is a unique opportunity for students who have attended an Ohio State regional campus.

Q: What does my GPA need to be?

A: You must have a minimum 2.0 GPA.

Q: I am taking a required course this semester. Am I eligible this semester, or do I need to wait until the course is completed?

A: All courses completed and those in progress this semester are counted toward the degree. If all other courses are in progress or are completed, you are eligible now.

Q: I am transitioning to the Columbus campus next semester, but I don't have enough credits yet. Can I still earn the AA degree?

A: As long as you earned at least 15 credit hours on a regional campus, you will be eligible when all other requirements are met. You may earn the degree after you have changed campuses.

Q: Do my transfer credits count toward my AA degree?

A: Transfer credits can fulfill the requirements for the AA degree; however, when applying for the degree, 20 of the last 30 credit hours earned must be from Ohio State.

Q: I plan to use Grade Forgiveness for a course in the future. How will this affect my AA degree?

A: Once an AA degree is earned, no courses that were applied toward the degree can be retaken using Grade Forgiveness. Therefore, if you are considering retaking any courses, you should do so before applying.

Q: Who should I contact if I have questions or wish to apply for the AA degree?

A: You can call 740.366.9333 to schedule an appointment with your advisor.
